

Auto Cross Technical Specifications

1. Stock fuel tanks must be removed, unless they are in front of the rear axle. An auxiliary gas tank must be securely fastened and located behind front seat. US Coast Guard approved tanks are allowed.
2. Radiators must remain in stock location.(NO reinforcements). You may cover the front with screen to prevent debris from puncturing.
3. Shatterproof windshields are allowed. All other glass must be removed.
4. All doors must be securely welded or chained shut.
5. Roll bars and bars across drivers door are allowed for safety.
6. All cars must have working brakes.
7. All cars must have a 12" hole cut in hood above the air cleaner.
8. Drivers door must have original interior or padding on the inside. Not really necessary.
9. Front and rear bumpers must match make and model of vehicle. (No trailer hitches allowed)
10. Absolutely no altering, welding or reinforcements of springs, frame, or other suspension components. All components must be stock. Other than one skid plate to protect the oil and transmission pans, we recommend chaining your bumpers so they don't go through your radiator. We also recommend removing the stock latch on the hood and replacing with hood pins, this keeps the hood from flying up and saves time in the event of a fire.
11. One shock per wheel in stock location. No springs jacks, blocked shocks, coil over shocks, or air shocks.
12. Welding or chaining any parts to frame is prohibited. One 18" x 18" x 1/8" plate may be bolted to the frame to protect engine. See `10
13. A minimum 2 ½ # ABC fire extinguisher securely fastened within reach of driver. An expense that isnt needed, the fire department is on hand, and normally it comes loose and ends up bouncing around inside the car anyways.
14. Throttle must have positive return springs.

15. Clear visible numbers must be on both sides of car. NEED DOT APPROVED HELMET

16. No 4 wheel drives allowed. (cars only) We have 3 classes. 4 cylinder CARS ONLY....6 cylinder and up CARS ONLY.....Truck/Van. So now ANY vehicle can be used!! This should up the car count.

**All cars must pass tech inspection which runs from 4-6 p.m.
Race starts at 7:00 p.m.**
